Serial No.

(May 22, 2001). This petition is to be decided by an SPE; see MPEP Sections 608.02 and 1002.02(d).

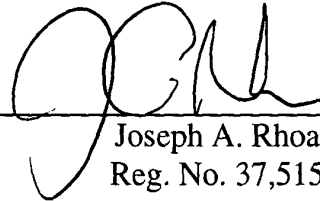

In the instant case, color drawings of Figs. 2-9 are respectfully submitted to be necessary for a clear understanding of the invention. These figures are very complicated, and without color may be difficult to understand. Thus, it is submitted that color is the only practical medium by which to disclose the subject matter of these figures.

Accordingly, it is respectfully requested that the instant petition be granted.

Respectfully submitted,

NIXON & VANDERHYE P.C.
